1. To check the availability of any item that you would like to borrow, please go to https://opac.xjtlu.edu.cn. You may log in using your XJTLU account (same login information as your university email account).

If you need to search for a specific book, you can use the search function on the website. Simply input the title, author, or keywords related to the book you are looking for.

2. Simply search the catalogue using key words relevant to your desired item (title, author, subject etc.).

3. Click on your desired item on the search results to see its detailed information such as its call number or location in the library.

4. The detailed information will display the floor where your item is located on. Then use the call number to locate the item on the library’s bookshelves (look for labels on the bookshelf relevant to your call number).

根据该图书的详细信息，获知该书所在的楼层，并可以通过索书号定位到对应楼层的书架（可根据书架侧面的标签进行查找）。

通过所选图书的关键信息进行检索（如题名、作者、主题词等）。

使用索书号定位至对应的楼层。
